KNOW:

What do you need to know to be a successful President? Think broadly in terms of interpersonal, conceptual, strategic, & technical things you need to know

I need to know what my school/national grand officers expect from me. Also, I need to be able to deal with any situation that can arise whether it be a drunk brother or people not showing up to events. Also I need to know what motivates the men in my chapter to be engaging and how to help them to be the best they can be.

Deadlines, Bearly

BE:

Who do you need to be in order to be a successful President? What values & commitments are important for Presidents?

I need to be a great leader and lead by example. I need to be a man of my word and do what I say will be done. I need a supportive staff not only from my council but from the brotherhood and national officers.

Problem Solver

Forward

DO:

What actions are required to be a successful President? Think both BIG picture and small detail in terms of influencing, operating, & improving.

The actions required to be a successful President are attending every meeting. As well as being there for any brother that may need my help. Finally, to oversee the operations of the chapter.

Explain clearly to chapter

KNOW:

What do you need to know to be a successful President? Think broadly in terms of interpersonal, conceptual, strategic, & technical things you need to know

Well to start off, I am the VP of my organization. So my goals are going to be more focused on tightening up internally. In years past, my organization has gotten looser and looser with bylaws and public image. So to start things off in the beginning I am unfortunately going to have to be the bad guy setting things done.

BE:

Who do you need to be in order to be a successful President? What values & commitments are important for Presidents?

I need to know to know great communication skills, as well as how to be understanding with how other people operate.
