

URP 6979- Planning Project Presentations (some titles will be slightly different)		
Student Name	Project Title	Questions/Feedback
Anna Bielawski	Green Infrastructure in the Urban Center: An Environmental Solution for Fort Lauderdale, Florida	Why? What do you mean going to be? You are focused on a solution, without being a problem? You assume that historic building are actually sustainable. What makes it so? What are you going to do? Do you see all over the place!
Florentina Hutt	Historic Preservation as Sustainable Development: Protecting the Heritage of Delray Beach	What is your plan? What is the problem?
Nicholas Sofoul	Phased Adaptation: A Transportation Plan for Sea Level Rise in Broward County, Florida	What is your plan? What is the problem?
Kelly Paluk	East/West Transit Improvement Study for Belle Glade	What is the problem?
Matthew Coyle	Identifying Food Deserts and Improving Access to Fresh Food in Lee County, Florida	Broken System? What is your plan?
Marylluvia Resendiz	Doral Tile Marble Zoning District Overlay	No clue what you are trying to do? Why are you here?

Inna Stafeychuk	Regional Sea Level Rise Adaptation Land Use Strategies/Policies	What is your problem statement? What is your plan?
Anthony Olivier	A Community Food System Plan for Miami Dade County: Health, Resilience and Justice	<u>Excellent</u>
Amy Humboldt	An Economic Catalyst Project: Identifying and Developing a Critical Intersection	How does this site relate to your discussion of place?? Excellent
Laura Laliberte	Infrastructure Redevelopment Plan: Spatial Restructuring of Hollywood's Dixie Highway Corridor	Good topic, but does this actually relate us to do?
Nima Upadhyay	Developing Land Use and Transportation Strategies for Senior Citizens	Why do all these observations, you've already mentioned in previous?

Abbie Rickoff	An Open Space Connectivity Plan for Lake Worth, Florida	
Thomas Rodriguez	Completing Streets: Policies to Encourage and Facilitate the Development of Safe Streets for all Users	What is your research methodology? What is the problem? Not done yet
Heather Lane	Enabling Microgenerated Renewable Energy in Florida	No clue what you can see to do?
Amanda Bassiely	Using Disaster Recovery to Enhance Quality of Life: Broward County	Disconnected but great product.
Mattine Jou	City Marketing Tools for Downtown Economic Development: The Case of Riverview, Fort Lauderdale, Florida	What?
