The following ratings are to be used for the purpose of program assessment and are not meant for individual student assessment. Return completed forms to the Graduate Coordinator.

Rate the degree to which the student has exhibited:	Poor	Fair	Good	Excellent	
knowledge of the subject matter					all exams
the ability to present clear and concise arguments					all exams
original and critical thinking					all exams
the ability to summarize and evaluate the relevant literature					PhD prelims and MS & PhD defenses only
an original contribution and a critical evaluation of that contribution					PhD defenses only
