215	it was extremely cold. There should be a notice about packing a jacket for the two days because I was freezing!!	Jun 27, 2012 8:38 AM
216	First day seemed too structured. Found it overly repetitive, and somewhat annoying,even though it was mentioned Orientation would get like that. Also, the dorm room was freezing cold and the bed sheets were barely bedsheets, I know their only for one night but they literally didn't warm me at all, nor did they fit the bed.	Jun 27, 2012 8:38 AM
217	The second day and akeem as a leader was great!	Jun 27, 2012 8:38 AM

221	Start to ask the incoming freshman what breakout session they would like to have. There were barley any that caught my attention and made me want to go to them. See what people want to learn about.	Jun 27, 2012 8:37 AM

229	students should not be told that they must pay for and stay overnight in a dorm before they arrive, and then told that they do not have to stay after the arrive on campus. That seems like a scam for money, and many of the students, including myself, were not happy upon hearing that we paid for a dorm when we could've stayed local off campus.	Jun 27, 2012 8:36 AM
230	Love my owl!!	Jun 27, 2012 8:35 AM

234	I really enjoyed being able to be Independent during orientation. I was able to be on my own and learn on my own. Tyler was a great OWL leader and he helped many of us out with any questions we had.	Jun 27, 2012 8:35 AM
235	The orientation process does not need to be this long nor required. All of this information was available online and if you needed this process to understand things, then you are most likely illiterate and should not have gotten into this school.	Jun 27, 2012 8:33 AM
236	good	Jun 27, 2012 8:32 AM

248	ASHLEY ROCKSSSS	Jun 21, 2012 8:49 AM
249	Orientation was really nice and I enjoyed myself. The orientation leaders did a great job with the skit. That was enjoyable and it got the point across.. Not so much all the talking. I know information had to be told, but maybe the way it's communicated can be done in a more effective and interesting manner.	Jun 21, 2012 8:49 AM
250	alot of stuff covered in the first day was things I was informed of already from campus visit day. I would say to try to have more breakout sessions during this information time for those who have had a canmpus visit day and had learned most of the information already.	Jun 21, 2012 8:46 AM

256	Great job of conveying information and showcasing FAU's environment,one of the only negatives was that things got repetitive.	Jun 21, 2012 8:42 AM
257	Orientation shouldn't be based around the FAU website, it should be based around actual campus life and getting to know your future classmates.	Jun 21, 2012 8:42 AM
258	I LOVE AL	Jun 21, 2012 8:41 AM
259	I think I am ready for my experience at FAU.	Jun 21, 2012 8:41 AM

273	The only comment I have is that the room assignments for orientation needs to be focused on more. My roommates were not at the orientation at all, so I ended up rooming alone. That should be fixed	Jun 21, 2012 8:35 AM

305	Gia was a fantastic orientation leader she answered all questions to her ability and gave me helpful campus advice. I would have liked to have more breakout sessions or to register for courses on the first day. Registering would have alleviated some stress and I would have focused on the rest of the orientation. 308	I came to the Freshman Orientation without a clue of what to do or what i wanted to do club wise or if I would even be able to talk to anyone without feeling so awkward I wouldn't talk to anyone. My orientation leader Tyler was the first person to talk to me and got me out of a nervous shell and helped me figure out what clubs I want to be part of and answered nearly every question I could think of. Thanks to him I have over a dozen new friends at FAU and am eager to come back	Jun 13, 2012 8:44 AM

382	It was very helpful with all the question I had prior to orientation	Jun 5, 2012 8:38 AM
383	It really helped me get a sense of what to expect	Jun 5, 2012 8:38 AM
384	I loved it. It was a lot of fun.	Jun 5, 2012 8:38 AM
385	none	Jun 5, 2012 8:37 AM
386	hoot hoot !	Jun 5, 2012 8:37 AM

389	It should start at 9am	Jun 5, 2012 8:36 AM
390	there needs to be more snacks :/ over all it was fun.	Jun 5, 2012 8:36 AM
391	I missed Breakfast because I wasn't properly informed. Now I'm taking this survey and I'm hungry.	Jun 5, 2012 8:35 AM
392	It was very well organized.	Jun 5, 2012 8:34 AM
393	Shorten the lecture periods	Jun 5, 2012 8:33 AM
394	It was an overall enjoyable experience. My only issue was standing up in front of people in parliament sessions, but that is something I need to overcome anyways. It was a good time. Thank you.	Jun 5, 2012 8:32 AM
395	Eating was a problem. There was not time to eat on the second day if you wanted to get things done. Why was there not dinner included in the orientation and how come we were not notified until half of day one was completed. And the complimentary breakfast was orange juice, water, and coffee. We need nutrition to continue with a full day of walking from place to place in the Florida heat. I wish I knew to bring snacks.	May 31, 2012 9:06 AM
396	Muy Fantastico !	May 31, 2012 9:02 AM
397	The whole prossess of using OARS then registering for classes and knowing about the gen ed classes is fairly confusing.	May 31, 2012 9:02 AM
398	I felt time could have been better managed, as so this would not have taken so long.	May 31, 2012 9:01 AM
399	It was very informative.	May 31, 2012 9:01 AM
400	There needs to be more food and linnens available	May 31, 2012 9:00 AM

401	I had fun.	May 31, 2012 8:57 AM
402	Really informative!	May 31, 2012 8:56 AM
403	Sharika is the Best	May 31, 2012 8:56 AM
404	Jessa is awesome!	May 31, 2012 8:55 AM
405	First day was really boring, second day was a bit better. Just a FYI.	May 31, 2012 8:55 AM
406	It was very dragged out repetitive and unnecessary.	May 31, 2012 8:53 AM
407	It was a wonderful experience and I am very excited to attend FAU in the summer 2012.	May 31, 2012 8:53 AM
408	A better one on one session would have been nice	May 31, 2012 8:53 AM
409	Loved my orientation leader, Jessa	May 31, 2012 8:53 AM
410	orientation was useful but long	May 31, 2012 8:52 AM
411	it was a lot of fun and i really enjoyed the skits performed by the orientation leaders on the second day.	May 31, 2012 8:52 AM
412	I personally think that the orientation staff was unknowledable and extremely rude. I felt unwelcomed and very discouraged. I truthfully would not recommend that orientation process to anyone. It was a waste of time and I was treated like a five year old. When i ask a question politelty i deserve a polite respone in return my orientation leader Gia told me to stop jumping down her throat with questions. From that point forth i refused to ask any more questions which i have a number of. This expericene completely discouraged me from attented FAU. I honestly didnt even spend the night because they didn't even supply the students with toliet paper. I had no sheets or linens and the room was a mess. This orientation was a terrible first impression of FAU and made me want to leave before I even begin. I refused to spend the night and drove an hour home and slept in my bed because i felt so uncomfortable.	May 31, 2012 8:52 AM
413	To much talking if it was more interactive and still be informative it would be alot better! but overall very informative.	May 31, 2012 8:51 AM
414	It was an exciting experience.	May 31, 2012 8:50 AM
415	I personally feel that this orentiation did not do me any good. Playing musical chairs isnt helping me in any way shape or form. The only postive feedback would be when we were actually allowed to break away and pick what we wanted to hear about. If you are going to have a two day orentiation at least let it be organized, there was not even linen in my room or toilet paper. Lastly, I want to let you know this discouraged me from coming to this school. Im not planning on attending UNF because of this experience.	May 31, 2012 8:50 AM
416	N/A	May 31, 2012 8:49 AM

418	This was a very insightful and exciting experience that has me confident and motivated toward future success at FAU.	May 31, 2012 8:47 AM
419	Mishelle was an amazing mentor !!!	May 31, 2012 8:47 AM
420	It was a lot of fun.	May 31, 2012 8:46 AM
421	I have found more than I ever imagined I would find at my Freshman Orientation.	May 31, 2012 8:45 AM
422	The whole experience was very informative. However, the housing was in poor conditions without any towels, or sheets. Also, the bathrooms were disgusting.	May 31, 2012 8:45 AM
423	have more games	May 31, 2012 8:43 AM
424	i am excited!!!!!!!	May 31, 2012 8:43 AM
425	I know more about FAU now than before.	May 31, 2012 8:43 AM
426	It was WAY TOO COLD. And the bathrooms in the dorms need handsoap.	May 31, 2012 8:43 AM
427	fun :)	May 31, 2012 8:43 AM
428	too longggggg	May 31, 2012 8:40 AM
429	LOVE IT!	May 31, 2012 8:40 AM
430	orientationleaders were great	May 31, 2012 8:39 AM
431	i need more help with housing	May 31, 2012 8:38 AM
432	Too long, redundant	May 31, 2012 8:38 AM
433	Orientation as a whole would have been much improved had we been treated as actual college students instead of children. While, yes, guidance is required during an orientation, I know I would much have preferred if all the leaders had been themselves and our peers instead of our leaders.	May 31, 2012 8:38 AM
434	IT WAS AWESOME!	May 31, 2012 8:37 AM
435	:)	May 31, 2012 8:37 AM
436	a lot of the things during orientation we're constantly touched on...it was kind of over kill. the topics were the same for the entire day, it got extremely boring	May 31, 2012 8:37 AM
437	awesome	May 31, 2012 8:36 AM
438	go owls	May 31, 2012 8:36 AM
439	i am excited!	May 31, 2012 8:36 AM
440	I think it is necessary to add a section at orientation where team leaders take the students on a tour on campus and really explain what to expect and where usually english, math, and science classes are located.	May 31, 2012 8:33 AM

441	The break out sessions really helped and get splash'd was defintely a highlight of my freshman orientation	May 31, 2012 8:32 AM
442	I was skeptical at first, but I really enjoyed it and it was very helpful and fun at the same time	May 31, 2012 8:31 AM
443	N/A	May 31, 2012 8:31 AM
444	give thicker blankets next time. otherwise it was fun	May 31, 2012 8:30 AM
445	Kathy and CJ were great	May 23, 2012 10:20 AM
446	I enjoyed orientation and all of the RA's made it a blast! I look forward to fall when i am fully enrolled in FAU. Hoot Hoot!	May 23, 2012 9:05 AM
447	Wooooot!!! Kearsa rocks my socks!!!!	May 23, 2012 8:57 AM
448	Sometimes, if I wanted to attend more than 2, or more than 3 sessions, i couldn't because we were only allowed 2 (first day) or 3 (second day). We should have been able to attend additional sessions.	May 23, 2012 8:57 AM
449	Overall, it was good. A little too repetitive and Day 1 is very long. The trip to the mall was a bit bizarre. Owl leaders were awesome!	May 23, 2012 8:57 AM
450	It was so awkward.	May 23, 2012 8:56 AM
451	should make it more fun. no ice breakers.	May 23, 2012 8:56 AM
452	Not apporpriate for transfer students or any student that is not a recent high school graduate. It was a complete waste of time and money. I didn't learn anything that I couldn't figure or find out on my own.	May 23, 2012 8:56 AM
453	It was great	May 23, 2012 8:55 AM
454	too long	May 23, 2012 8:53 AM
455	This particular event could have been skipped altogether in my opinion. A manual about common sense would suffice. The mall/Boca tour was a waste. Seriously, how does getting a tour of Boca help our educational needs at FAU? FAU is a city in itself, we should have just gotten a tour of the school on the first day, and the second day wouldn't be necessary. Another issue was the random party that was supposed to be at the pool. (Get Splash'd I think it was?) The music was too loud, I couldn't hear the person talking infront of me, and it gave me a slight headache at the end. (I'm normally a quiet type, this might be fun for others.) Sorry if this was very unorganised, I can't see what I have written before because of the lack of space alignment. Overall, there are a lot of ways to manage time better. This did not have to be a 2 day event. I feel like this whole thing could have either been seen in a manual, or if not, the information could be given in roughly 6 hours.	May 23, 2012 8:50 AM
456	Could be more entertaining, but all the information needed was transferred in a good fashion.	May 23, 2012 8:48 AM
457	Should have been in one day in 7 hours not overnight for 15+ hours.	May 23, 2012 8:48 AM

458	C.J. is the best Orientation Leader ever!	May 23, 2012 8:46 AM
459	Get a few of the club members to speak about the different clubs.	May 23, 2012 8:46 AM
460	If anything, this orientation made me NOT want to attend FAU. I was treated like a child, and found it insulting	May 23, 2012 8:45 AM
461	When in the case there may be a raining day, I believe there should be a more fun alternative with more activites.	May 23, 2012 8:44 AM
462	Overall orientation was great! I am more aware of FAU and all i need. The only thing i dont like was OARS i wish i could talk to more advisors in person.	May 23, 2012 8:44 AM
463	The Freshman Orientation was really pointless. It is WAY too long and just made me want to fall asleep and leave the entire time. Most of the information given is common sense or on the website, and half of what was said didn't even pertain to me. They really need to cut it down to no more than 5 hours.	May 23, 2012 8:44 AM
464	The FAU Freshman Orientation experience was very well done, and I also was able to finally understand what it is like to live on campus, I very much enjoyed it, and am glad that I have decided to attend FAU.	May 23, 2012 8:44 AM
465	FAU OWLS!!!!!!!!!!!!	May 23, 2012 8:43 AM
466	It was nice	May 23, 2012 8:43 AM
467	unorganized and a lot of walking and no free time and was forced to do things i didn't want to do. Also, sleeping in the dorm was unideal and my roommate was awful.	May 23, 2012 8:43 AM
468	I had a very interesting time at orientation. Although after staying in the dorms, I do not wish to live on campus.	May 23, 2012 8:43 AM
469	There was a lot of information drilled at once throughout a long period of time. Maybe make the sessions more fun and interactive while stil being thoroughly informational. All in all, a very interesting experience.	May 23, 2012 8:43 AM
470	Staff sucked	May 23, 2012 8:42 AM
471	a lot of talking and a lot of information to take in at once it can get overwhelming	May 23, 2012 8:42 AM
472	I want to be an orientation leader.	May 23, 2012 8:41 AM
473	It was boring!	May 23, 2012 8:41 AM
474	Very good experience... Repetitive yet formal.	May 23, 2012 8:41 AM
475	TOO LONG, couldve only taken one day to do everything, no need to go to mall or have "pool party" for 4 hours	May 23, 2012 8:41 AM
476	FUN	May 23, 2012 8:39 AM
477	I feel that this orientation was very informational and now I am more excited than nervous to register for my classes now that I have completed this orientation	May 23, 2012 8:39 AM

478	The orientation leaders really made this experience amazing! Thanks everyone.	May 23, 2012 8:39 AM
479	See you this summer	May 23, 2012 8:38 AM
480	It was Awesome!	May 23, 2012 8:38 AM
481	Should have the ability to get help with my FAU at a certain time	May 23, 2012 8:38 AM
482	The survey needs comments about the orientation itself. The orientation needs to be condensed and overnight stay for anyone besides people who are from out of the area should be optional.	May 23, 2012 8:38 AM
483	A lot of repetitive information.	May 23, 2012 8:37 AM
484	thank you	May 23, 2012 8:37 AM
485	2 days seems a bit excessive....	May 23, 2012 8:37 AM
486	There was hours of downtime and extraneous activities (like mall trips), that it wouldn't be necessary to have the Orientation last 2 days. Overall, the orientation went very well.	May 23, 2012 8:37 AM
487	I didn't think it had to be so long. some of the things we did seemed pointless	May 23, 2012 8:36 AM
488	too long!!!!	May 23, 2012 8:36 AM
489	No.	May 23, 2012 8:35 AM

492	go owls!	May 23, 2012 8:31 AM
493	so fun! i loved Al.	May 23, 2012 8:31 AM
494	My bed was a vinyl mattress with a sheet. College.	May 23, 2012 8:30 AM
495	Fun	May 18, 2012 8:53 AM
496	go owls!	May 18, 2012 8:53 AM
497	The seminars are to long. And you repeated yourselves & the choice sessions should of been more often	May 18, 2012 8:52 AM
498	FAU should provide pillows for students planning on sleeping in the dorms for orientation.	May 18, 2012 8:52 AM
499	Many of the sessions were pointless as it's stuff we already knew and should have done. The breakout sessions shouldn't have been mandatory if you knew your stuff and could have choiced	May 18, 2012 8:52 AM

Page 6, Q21. Please enter any additional comments you have regarding your Freshman Orientation experience

500	Orientation was great! only thoughts would be a better plan describing what we are going to do, and a better direction of how we are going to get there.	May 18, 2012 8:52 AM
501	provide soap and shampoo, cut down on the boring seminars, and throw in a campus tour. Also, allot more time for eating during the city tours	May 18, 2012 8:52 AM
502	The second day of orientation was pointless, orientation should only last one day.	May 18, 2012 8:51 AM
503	Missing campus tour	May 18, 2012 8:51 AM
504	Too long	May 18, 2012 8:51 AM
505	good :)	May 18, 2012 8:50 AM
506	I LOVED IT!	May 18, 2012 8:48 AM

516	Thanks for the Orientation :D Oh.. its very cold in dorms during the night...	May 18, 2012 8:41 AM
517	I enjoyed the orientation very much. It answered many of my questions and gave me a lot of info, leading to new questions, but in a good way. It helped me realize and understand what I will be getting myself into when my term starts. The staff were very good. Thank you very much!	May 18, 2012 8:41 AM
518	Orientation was a lot of fun and everyone at FAU did a great job in making sure everyone had a great time and learned what we needed to	May 18, 2012 8:39 AM
519	i really enjoyed this orientation!!!!	May 18, 2012 8:38 AM
520	More help with how to pay, and make parking and studying abroad not a breakout session.	May 18, 2012 8:38 AM
521	I did gain a lot of valuable information, but I did not think it was at all necessary to stay overnight...	May 18, 2012 8:38 AM

Page 6, Q21. Please enter any additional comments you have regarding your Freshman Orientation experience

522	I felt like the information on the first day of orientation was a bit repetitive. I think that the large amount of time that was set aside for that first day could have been used for a wide array of topics; including, maps, where to find classes and even speaking with some of the class instructors so that we would get a more in depth look into what class will actually be like.	May 18, 2012 8:38 AM
523	Yolo	May 18, 2012 8:37 AM
524	The advisors/helpers made this experience a lot of fun and should be put in every freshamn orientation.	May 18, 2012 8:37 AM

530	Really liked this experience.	May 18, 2012 8:35 AM
531	get rec'd would be more fun if the pool party had more interactive games	May 18, 2012 8:35 AM
532	it was a great experience.	May 18, 2012 8:35 AM
533	It was wonderful! Kinda draining but that was expected. Thank you so much! See ya in the fall! Go Owls!	May 18, 2012 8:35 AM

542	FAU is awesome!!!!!!!	May 18, 2012 8:33 AM
