Hello Colleagues,

I am pleased to say that all 5 beginning practicum students who took the exit exam Saturday, 12/1/12, passed the exam.

One registered student, Barkely McDonnell, did not take the exam as she was asked to suspend participation in the course while administrative issues are resolved.

Susan Boklaga was role playing the client and Beth Ashton was the second grader. Both grad students were very helpful.

Our last class meets tonight.

I will submit the requested evaluation forms to Dr. Peluso after the students co-sign. I plan to complete this using part of class time.

Thank you for the opportunity to teach the class.
