Dear Dave & Jenny,

The SACS committee for Social Psychology (SOP 3004), consisting of Robin Vallacher, Nancy Jones, Ryne Sherman, and Martha Hubertz, has developed new learning objectives, assessment items, and a plan for administering the items (see attached). Please distribute the attachment to all instructors of Social Psychology this and subsequent semesters. These items should be incorporated into exams throughout the semester and analysis (or the print out from testing with the items noted) sent to Jenny.

Best regards,
Robin
