Re: Proposal for new Ed.S. requirements

Thank you for your presentation to the curriculum committee regarding the Ed.S. requirements. After deliberation the curriculum committee voted 3 yes, 0 no to approve with modification.

What was approved was the new requirement of a minimum of 12 credit hours above the master's degree for the Ed.S. in Mental Health Counseling.

The modified language below clarifies that the Ed. S in school counseling has a minimum of 24 credit hours above the master's degree due to Florida DOE certification requirements.

APPROVED MODIFIED LANGUAGE

The Ed.S. in Counselor Education requires a minimum of 72 credit hours beyond the bachelor degree.

Graduates of the FAU 60 hour M.Ed. in Mental Health Counseling must complete an approved program with a minimum of 12 credits above the master's degree. Graduates from other institutions may need additional courses.
