Who, what, when, where….:

- Who, what, when, where, and why
  - All employees have access to a Google Applications account on September 12th (but not Gmail)
  - All students have the option via MyFAU to migrate starting September 12th
    - Note: We will automatically moved their email and notify them when the process is complete.
- All students will be migrated in approximately 6 months based on feedback from our user community.

FAU INFORMATION RESOURCE MANAGEMENT
Florida Atlantic University
